**Re: 77 Ames Street
Request to Name Private Service Driveways**

Dear City Council:

Per the request of the Cambridge Fire Department, the Department of Public Works, and the Emergency Communications Director, Cambridge Center West Garage LLC seeks approval from the Cambridge City Council to name two private service drives within its property at 77 Ames Street.

The east/west service drive between Ames Street and Galileo Galilei Way/Western Connector is proposed to be named "Ames Place". The northbound service drive is proposed to be named "Ames Court". Each service drive will be signed to emphasize its private, service use and to prohibit public cut-through between Ames Street and Galileo Galilei Way.

Per correspondence from the City Engineer, the proposed driveway names meet with the approval of the Historic Commission Director, the City Engineer and the Emergency Communications Director.

We appreciate your consideration of this proposal. In the meantime, should you have any questions, please do not hesitate to call me at 617-236-3353.

Sincerely,

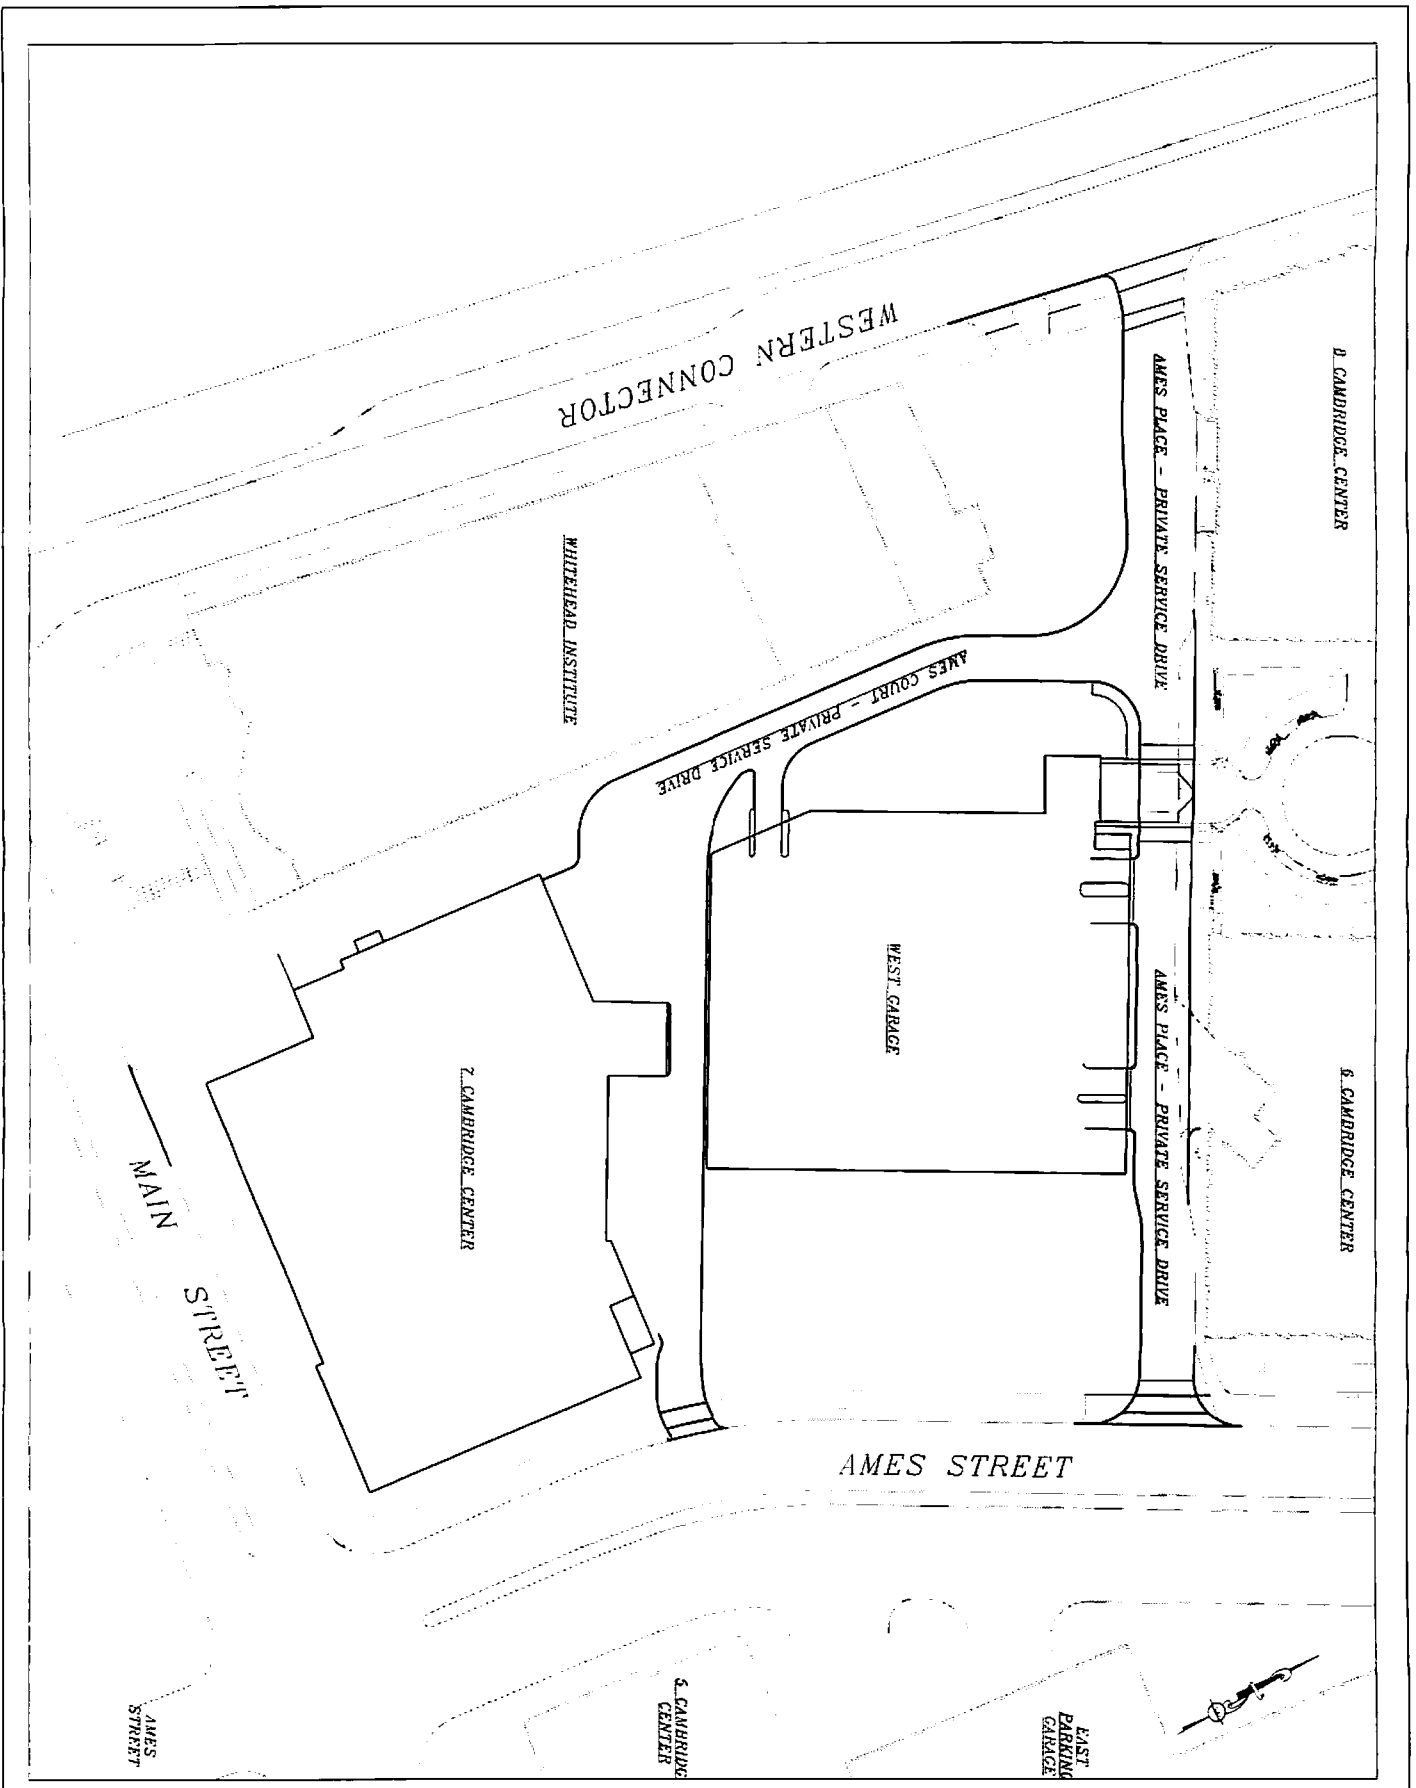

A handwritten signature in blue ink, reading 'Jeffrey J. Lowenberg', with a large, stylized flourish at the end.

Jeffrey J. Lowenberg
